Profile

Final-year BA Marketing student with a predicted First Class degree. Turn audience feedback into content ideas, write for university channels and lead student marketing projects with local businesses. Experience spans social media, email, intranet and print.

Marketing and Communications Experience

Student Communication Assistant (Social Media and Content)

University of Leicester | Citizens of Change internship | Oct 2026 - Present

- Audited Instagram, student email and SharePoint channels, mapping their roles and recommending where to place student information.
- Reviewed six Welcome emails across undergraduate, postgraduate research and distance-learning audiences. Recommended shorter subject lines, clearer calls to action and more prominent key dates.
- Used student survey feedback to develop a timetabling reel concept that explains how timetables are built and helps students plan around gaps.
- Wrote student intranet articles spotlighting new societies and promoting a student survey role. Contacted society organisers to gather details for Diwali coverage.
- Developing Instagram content for January starters and commuter students.

President

Leicester Marketing Society, University of Leicester | Dec 2025 - Present

- Lead a 20-member society and manage relationships with four Leicester businesses. Plan and promote events and coordinate practical marketing briefs for students.
- Produced eight short videos for University of Leicester social channels, turning information about student services and study tools into content for first-year students.
- Delivered pro bono marketing consultancy for two local businesses, including social media strategy and rebranding.

Volunteer Marketing Lead

Belgitalia, Bucharest (remote) | Apr 2026 - Present

- Create branded menus, print materials and social media content. Researched and developed seasonal promotions that contributed to a reported 10% increase in footfall.
- Supported a loyalty programme associated with a reported 15% improvement in repeat-customer rate.

Student Group Ambassador (Academic Groups)

University of Leicester Societies Council | Sep 2026 - Present

- Assess and vote on funding applications of up to £600 and review new society proposals against event plans, budgets and feasibility.
